Subject Re: Professional Development Request

Mr. Barker:

Good Afternoon.

If you don't mind I am checking the status of my professional development request. As you will find attached I am in a time conflict per registration and making hotel arrangements/accommodations.

Please advise. Your decision will be respected.

In response to Mrs. Hick. I don't mind taking personal leaves days if I have too. I am interested to see if MPS will reimburse the expenses. All information shared in the conference will be made available to the MPS community upon my return.

Please phone me if needed: 301-3102

Thanks.

Mr. Lowe, Mr. Barker is handling your request. I do not think it will be approved, but you may take personal leave and go if you like. You might want to get a definite answer from Mr. Barker.
